Terms, Conditions and Disclaimers
Please agree to the following terms, conditions and disclaimer notifications

Terms and Conditions
Wisconsin Physicians Service Insurance Corporation (WPS) is providing you with the following terms and conditions for your access and use of the secure member area of www.wpsic.com. Please read the legal agreement carefully to fully understand your rights and responsibilities. Additional terms and conditions may apply to your access and use of different portions of this website. By using this site you are bound by these Terms and Conditions. If you do not agree to these Terms and Conditions you must not use and not use this website.

Use of Identifying Information
To access, and sometimes to continue using this website, you may be asked to provide basic identification information such as name, member number, e-mail address, date of birth, and/or other information to verify your identity and to determine what information can be made available to you. WPS will use your information to process, validate and verify your relationship with WPS.

E-mails
By providing an e-mail address, you are consenting to WPS communicating with you via e-mail and sending subscriptions to your e-mail address. The nature of the Internet prevents WPS from guaranteeing the confidentiality of information received through websites or via e-mail. WPS strongly suggests that you not include any PHI or confidential information should you contact us via e-mail.

Information on WPS websites
WPS' websites may contain various types of information originating from WPS or third parties, including outside providers of health-related information or goods and services. WPS' websites may also contain information about health issues designed to help you. This information is not meant to replace the advice of health care professionals. If you have specific health care needs, or for complete information about your health care, please contact a doctor or other health care provider. This information is also not a guarantee of payment or benefits or that treatment, services or supplies are covered by the applicable benefit plan. Our decision about payment can only be made when all necessary claim information is received and reviewed in accordance with the terms, conditions, limitations and exclusions of the applicable benefit plan.
