The provider information is accurate as of the date of the directory publication. For the most accurate provider data, please consult our online provider directory at [www.wpshealth.com](http://www.wpshealth.com). It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. The provider information is accurate as of the date of the directory publication. For the most accurate provider data, please consult our online provider directory at [www.wpshealth.com](http://www.wpshealth.com). It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or [www.wpshealth.com](http://www.wpshealth.com).

The provider information is accurate as of the date of the directory publication. For the most accurate provider data, please consult our online provider directory at [www.wpshealth.com](http://www.wpshealth.com). It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or [www.wpshealth.com](http://www.wpshealth.com).

The provider information is accurate as of the date of the directory publication. For the most accurate provider data, please consult our online provider directory at [www.wpshealth.com](http://www.wpshealth.com). It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or [www.wpshealth.com](http://www.wpshealth.com).

The provider information is accurate as of the date of the directory publication. For the most accurate provider data, please consult our online provider directory at [www.wpshealth.com](http://www.wpshealth.com). It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or [www.wpshealth.com](http://www.wpshealth.com).

The provider information is accurate as of the date of the directory publication. For the most accurate provider data, please consult our online provider directory at [www.wpshealth.com](http://www.wpshealth.com). It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or [www.wpshealth.com](http://www.wpshealth.com).

The provider information is accurate as of the date of the directory publication. For the most accurate provider data, please consult our online provider directory at [www.wpshealth.com](http://www.wpshealth.com). It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or [www.wpshealth.com](http://www.wpshealth.com).

The provider information is accurate as of the date of the directory publication. For the most accurate provider data, please consult our online provider directory at [www.wpshealth.com](http://www.wpshealth.com). It is the patients' responsibility to verify each provider's participation in WPS Health Plan prior to seeking care. Health care professionals are participating providers only at the locations specified. Out of Network Specialist or Tertiary Care (usually a teaching facility / academic medical center) requires a pre-service authorization from your Primary Care Physician. The authorization must be approved by WPS Health Plan prior to services being rendered. Please contact Member Services: 1-888-711-1444 or (920) 490-6900, or [www.wpshealth.com](http://www.wpshealth.com).
